2018 SPEAKER AGENDA

DAY 1 AGENDA

May 8th, 2018, Education Conference
7:30am – 4:50pm

9:00am – 12:00pm

KAREN STOKKE

CPHR, Owner & HR Consultant

MANAGING MARIJUANA IN THE WORKPLACE

Karen is a Chartered Professional in Human Resources (CPHR) with 14 years of experience in HR. She has worked in a variety of industries including Oil & Gas, Post-Secondary Education and Veterinary Medicine. In September 2017 Karen joined Cannabis at Work as a Consultant and recently is now the Learning Manager with the organization.

Medical marijuana is a rapidly changing topic and has great implications for workplaces. Managing medical marijuana in the workplace is complex and requires specialized knowledge of medical cannabis, workplace policy and case law. Approaching recreational legalization adds another layer of challenges. The information you hear will ensure you have the tools to mitigate risk in your organization.

1:00pm – 2:30pm

KEVIN BREEL

Mental Health Activist | TED Sensation

CONFESSIONS OF A DEPRESSED COMIC

Kevin Breel's TED Talk, "Confessions of a Depressed Comic", has garnered more than four million views, making it one of the most watched TED talks ever on mental health and depression. In the four years since he delivered it, Kevin has been called one of the "Most Influential Millennials in the World" by Parade magazine, and he has become a national ambassador for Bell "Let's Talk". His honest and humorous take on his first-hand experience with depression, and his message of ending the stigma around mental illness once and for all, resonates with all of his audiences.

As an activist for mental health, Kevin has been a guest speaker for schools such as Harvard, Yale, and MIT, as well as for Fortune 500 Companies, and even for the Government of Canada.

A writer, his debut memoir, *Boy Meets Depression*, achieved critical acclaim, with Forbes calling it "a small book well worth reading" and NPR dubbing it "honest and compelling." As a comedian, Kevin has headlined at theatres and colleges throughout North America.

Kevin is a recipient of multiple awards for his social activism, and he has been featured in countless media outlets including by NBC, CBS, The Huffington Post, MTV, CNN, The Today Show, Mashable and The Wall Street Journal.

2:45pm – 4:15pm

MICHELLE KEENE

BSc (Kin), MPT

CONCUSSIONS

Michelle graduated from the University of Saskatchewan with a Bachelor of Science in Kinesiology in 2011 and a Master of Physical Therapy in 2014. Since graduating, she has worked as a physiotherapist at Craven SPORT Services in Saskatoon where she acts as the Director of Sport Physiotherapy.

Clinically, Michelle's interests lie in the areas of sport physiotherapy, concussion management, orthopedic rehabilitation, corrective exercise, and strength and conditioning. She has obtained her Functional Dry Needling and CSEP Certified Exercise Physiologist certifications and has completed her Certificate in Sport Physiotherapy. She has also completed post-graduate training in the areas of concussion management, running injury prevention, and sport equipment. She has been doing on-field medical coverage since 2010 and continues to stay involved with the Saskatoon Valkyries football team, Canada Soccer's Women's Regional Excel Center in Saskatoon, as well as a number of high school sporting events.

DAY 2 AGENDA

May 9th, 2018, Education Conference

7:30am – 1:00pm

9:00am – 11:00am

DR. LILIAN THORPE

MD PhD, FRCP, Geriatric Psychiatry and MAiD Team,
Saskatchewan Health Authority Professor,
Departments of Community Health & Epidemiology and
Psychiatry, University of Saskatchewan

MEDICAL ASSISTANCE IN DYING

Dr. Thorpe is a Professor of psychiatry and Community Health & Epidemiology (CH&E) at the University of Saskatchewan, providing clinical services in inpatient and outpatient consultation settings, including those related to Medical Assistance in Dying (MAiD). Dr. Thorpe teaches students all many levels and directs the annual CH&E LMCC review as well as the annual College of Medicine critical appraisal course. Research activities include epidemiological research, patient centered research and a recent quality assurance audit (with the help of four summer students) of MAiD in the Saskatoon Health Region.

Apart from University work, Dr. Thorpe is a founding member of the Canadian Academy of Geriatric Psychiatry and was the Chair of the Section on Geriatric Psychiatry of the Canadian Psychiatric Association for over 10 years. Dr. Thorpe has completed her term on the Royal College of Physicians and Surgeons geriatric psychiatry subspecialty committee, and has been an active member of the MAiD subcommittee of the SHR ethics Committee, helping to develop guidelines for the provision of MAiD in the SHR.

Learning Objectives:

To understand the process of referral, assessment and provision of MAiD

To better understand the reasons for MAiD applications and challenges in the provision of services

To understand the basic demographics of applications and MAiD events
