COURSE INFORMATION

Our basic OHS-Standard First Aid/CPR-A course runs a minimum of 16 hours in length, with one hour for lunch and two fifteen-minute breaks throughout the day. All St. John Ambulance courses are taught to meet Provincial Occupational Health and Safety Standards.

All costs include textbooks and taxes.

Courses are booked on a first-come, first-served, prepaid basis, with invoicing available for your company. For a minimum number of 10 students, we will be happy to coordinate a private class for your employees either at your facility or ours. If you are interested in this option, please call and ask for one of our CSR's.

Note: Due to staff and instructor allergies, please refrain from wearing deodorants and perfumes with any fragrances. Thank you for your consideration. There is student parking available in the back of the building. St. John Ambulance is not responsible for lost or stolen items from vehicles.
