

SALPN COMMUNITY LEADERSHIP INITIATIVE

DO YOU HAVE AN INNOVATIVE IDEA THAT YOU WOULD LIKE TO IMPLEMENT IN YOUR COMMUNITY?

OBJECTIVE

To create a public initiative(s) involving the promotion of health and wellness and the prevention of illness or injury in the community.

EXAMPLES

- Public Awareness/Education initiatives (educational sessions, disease prevention, etc.)
- Development of programs, activities and other initiatives that improve wellness, promote health, prevent illness or injury

GUIDELINES

- Proposals may be submitted by an individual LPN or team with at least one LPN (LPN leads submission)
- Initiatives may be for an ongoing implementation, or on a one-time basis
- Initiatives must align with the CCPNR Code of Ethics and Standards of Practice
- Consent must be obtained if any photos/videos are used
- All personal information must be safeguarded as per HIPA Legislation
- All proposals must be submitted to the SALPN by December 1st, 2017

POSSIBLE AREAS of FOCUS

- Elderly
- At-risk youth
- Newcomers to Canada
- Specific patient population (COPD, diabetes, etc.)
- Socio-economically challenged
- Physical/Mental impairments

SELECTED SUBMISSION(s)

The selected submissions(s) will clearly demonstrate an initiative that promotes health and wellness, prevents illness and/or injury. The initiative will be original and unique, facilitating a need for the residents of Saskatchewan. The selected submission(s) will be granted funds to help implement/support the initiative and will be announced in January 2018. The selected submission(s) will be required to submit an update at the 2018 Educational Conference .

To submit a proposal of your initiative, please complete and submit the application form [HERE](#). For any assistance or questions, please contact admin@salpn.com
