

# **salpn** NEW LOCATION

Saskatchewan Association of  
Licensed Practical Nurses

The SALPN office has relocated as of December 1st, 2017 to 2208 Victoria Avenue East. The new office is easily located and accessible for SALPN members and stakeholders. The new office boasts plenty of free parking, a safe location, room for internal growth, and the ability to host hearings and small educational events. We are pleased to provide our staff with a healthy environment and professionally represent professional regulation in Saskatchewan. We look forward to serving the people of Saskatchewan in our new location.
